Provab 1:1

1 Long buk ya i gat ol waestok blong King Solomon, king blong Isrel,* we papa blong hem King Deved.

2 Ol tok ya i blong givhan long yumi blong mekem yumi waes, blong yumi save folem ol gudfala advaes, mo yumi save haremsave ol tok we mining blong olgeta i dip.

3 Ol tok ya i save tijim yumi long fasin we bambae yumi save gat hed, mo we yumi no save giaman, mo we yumi save mekem ol fasin we i stret, mo we yumi save mekem i sem mak nomo long olgeta man.

4 Ol tok ya i save openem tingting blong man we i no save samting yet, mo i save mekem ol yang man oli waes gud, mo oli gat gudfala tingting.

5 Ol tok ya i save mekem ol waes man oli gat save moa, mo i save lidim ol man we oli skul gud,

6 blong oli save luksave mining blong ol waestok we i haed gud, mo oli save givim ansa long ol had kwestin we ol waes man oli stap askem.

7 Sipos man i wantem kasem save, stamba blong hem, hem i mas tinghevi long Hae God, mo i mas ona gud long hem. Man we i no gat hed, hem i no save tinghevi long ol waestok, mo hem i no wantem lan.

8 Pikinini blong mi, yu yu mas lesin gud long ol samting we mi wetem mama blong yu, mitufala i stap tijim yu long hem, mo yu no mas lego ol samting ya.

9 Ol tok ya bambae i givhan, blong mekem laef blong yu i gud moa. Bambae i olsem gudfala hat blong flasem hed blong yu, no gudfala jen blong flasem nek blong yu.

10 Pikinini blong mi, sipos ol man nogud oli kam traem pulum yu, blong yu go wetem olgeta, be yu no mas go.

11 Maet oli save talem long yu se, "!Yu kam! Bambae yumi go haed long saed blong rod, mo sipos yumi luk sam man, nating we oli no mekem sam samting nogud, be bambae yumi mekem faet long olgeta, yumi kilim olgeta i ded. Bambae yumi mekem blong pleplei nomo.

12 Nating sipos oli stap gud nomo, be taem faet i finis, bambae i no moa gat man i stap.

13 Mo sipos oli gat ol gudgudfala samting, bambae yumi karem, yumi kam fulumap olgeta long ol haos blong yumi.

14 !Yu kam joen wetem mifala! !Yumi go! Sipos yumi kasem sam samting, bambae yumi seraot long yumi evriwan."

15 Pikinini blong mi, yu no mas go wetem ol man olsem. Yu mas stap longwe long olgeta.

16 Fasin blong ol man olsem, oltaem oli kwik blong mekem ol samting nogud, oli no save wet. Oli rere oltaem nomo blong kilim man i ded.

17 I krangke blong man i go hangem net blong kasem pijin, we pijin ya i stap lukluk hem,

18 be ol man olsem oli stap wokem trap blong olgeta nomo, mo bambae oli ded long trap ya bakegen.

19 !Fasin ya we man i stap go kilim man blong i stil long hem, hem i rod blong ded nomo! Oltaem nomo, man we i stap mekem olsem, hem i mas ded.

20 !Yufala i lesin! Naoia waestok i olsem man we i stap singaot olbaot long ol big rod, mo long ol ples blong mekem maket.

21 Hem i stap singaot bigwan long ol doa* blong stonwol blong taon, mo long ol ples we plante man oli stap hivap long hem.

22 Hem i talem se, "!Olgeta! !Yufala we i no gat hed! ? Bambae yufala i stap krangke olsem gogo kasem wetaem? ?Naoia yufala i glad tumas blong jikim gudfala save, be bambae yufala i finis wetaem? ?From wanem yufala i no save lan?

23 Naoia, bambae mi mi tok long yufala blong stretem yufala, mo yufala i mas lesin gud long mi. Bambae mi givim gudfala tok long yufala blong givhan long yufala, mo bambae mi mekem tok blong mi i klia long yufala.

24 Longtaem finis, mi mi stap singaot yufala, be yufala i no wantem harem mi. Mi stap traem pulum yufala blong yufala i kam long mi, be yufala i no wantem.

25 Yufala i no wantem lesin long tok blong mi, we mi givim blong givhan long yufala, mo yufala i no glad blong letem mi mi stretem yufala.

26 Be sipos trabol i kasem yufala, mi bambae mi laf nomo long yufala. Sipos yufala i fraet we i fraet,

27 we tingting blong yufala i raon, olsem we bigfala waelwin i tantanem yufala, mo yufala i stap harem nogud tumas long bodi blong yufala, be mi bambae mi stap jikim yufala nomo.

28 Sipos i olsem, bambae yufala i singaot mi, be bambae mi no save lesin long yufala. Bambae yufala i lukaot mi long evri ples, be bambae yufala i no save faenem mi.

29 Yufala ya, neva yufala i wantem blong yufala i gat save, mo neva yufala i wantem obei long Hae God.

30 Neva yufala i wantem blong mi mi givim tok long yufala blong givhan long yufala, mo taem we mi mi wantem stretem yufala, be neva yufala i lesin long mi.

31 Nao from samting ya, bambae yufala i kasem panis we i stret blong yufala i kasem, mo ol fasin ya we yufala i stap mekem, bambae oli mekem we yufala i sik from.

32 Ol man we oli no gat hed, bambae oli ded from we oli no wantem kasem waes. Mo ol man we oli no gat save, mo we oli no kea, fasin ya blong olgeta bambae i kilim olgeta i ded.

33 Be man we i stap lesin long mi, bambae hem i stap gud oltaem long laef blong hem. Hem bambae i save we i no gat wan samting nating we i save mekem hem i fraet."

Provab 2:1

1 Pikinini blong mi. Yu mas lanem ol samting ya we mi stap tijim yu long hem, mo yu no mas fogetem ol fasin ya we mi stap talem long yu se yu mas mekem.

2 Yu mas lesin long ol waestok ya, mo yu mas traehad blong haremsave olgeta.

3 Yes, yu mas askem strong long Hae God, blong i mekem yu yu gat save, mo yu mas askem long hem oltaem, blong yu save haremsave mining blong ol strong samting.

4 Oltaem yu mas traehad blong kasem waes ya, olsem we yu save traehad blong faenem silva, no wan narafala samting olsem, we man i bin berem.

5 Sipos yu stap mekem olsem, bambae yu save kasem mining blong tok ya we i talem se, "Yu mas tinghevi long Hae God, mo yu mas ona gud long hem." Nao bambae yu save fasin blong hem moa, blong yu savegud hem.

6 Hae God nomo i save mekem man i waes. Fasin blong save mo fasin blong haremsave, tufala i stap kamaot long hem nomo.

7 Hem i stap givhan long ol stret man we oli no save giaman, mo i stap blokemgud olgeta blong trabol i no kasem olgeta.

8 Hem i stap lukaot gud long olgeta we oli stap mekem i stret nomo long ol narafala man, mo i stap gad gud long olgeta we tingting blong olgeta i stap strong long hem.

9 Nao sipos yu harem tok blong mi, bambae yu save luksave ol fasin we i gud, mo yu save jajem ol man long stret fasin, mo yu save mekem i stret long olgeta man, mo bambae yu save olgeta samting we i stret blong yu mekem.

10 Nao bambae yu save kam waes, mo waes ya blong yu bambae i save mekem yu yu harem gud.

11 Fasin ya we yu luksave ol samting, mo we yu savegud ol mining blong hem, hem bambae i stap lukaot long yu,

12 mo bambae i stap blokemgud yu, blong yu no mekem ol fasin nogud. Mo bambae i mekem we yu stap longwe long ol man we toktok blong olgeta i blong statem trabol nomo.

13 Ol man olsem oli lego stret laef finis, oli stap long fasin blong tudak nomo.

14 Olgeta oli glad blong mekem ol samting nogud, mo oli stap harem gud blong mekem ol rabis fasin ya.

15 Ol man olsem, yu no save putum tingting blong yu i stap long olgeta, mo yu no save trastem olgeta nating.

16 Sipos yu harem tok blong mi, bambae yu save blokem woman nogud, we i traem blong switim yu long ol swit tok blong hem.

17 Woman olsem i gowe long man blong hem, we i mared long hem long taem ya we i yangfala yet, mo i fogetem promes blong hem we i mekem long fes blong Hae God.

18 Sipos yu go long haos blong woman olsem, hemia i min se yu stap wokbaot long rod blong ded nomo, mo yu stap go klosap long Hom* blong ol Dedman.

19 Man we oltaem i stap go insaed long haos blong woman olsem, bambae hem i no save lego fasin ya, mo neva bambae hem i save kambak bakegen long rod blong laef.

20 From samting ya, yu mas folem fasin blong gudfala man. Oltaem yu mas wokbaot long rod we i stret.

21 Ol stret man we yu save trastem olgeta, bambae oli save stap gud long ples ya blong yumi.

22 Be ol man nogud we oli stap mekem ol rabis fasin, bambae God i tekemaot olgeta oli gowe long ples ya. Hem bambae i rutumaot olgeta, olsem we man i stap rutumaot ol smosmol tri long garen.

Provab 3:1

1 Pikinini blong mi. Yu no mas fogetem ol samting ya we mi mi stap tijim yu long hem. Oltaem yu mas tingbaot ol tok blong mi.

2 Sipos yu mekem olsem, bambae yu no save sot long wan samting long laef blong yu, mo bambae yu gat longfala laef.

3 Bambae yu no mas lego promes we yu mekem wetem
God, we tingting blong yu i stap strong long hem,
mo yu no mas lego promes we yu mekem wetem
ol fren blong yu, we tingting blong yu i stap strong
long olgeta. Oltaem, yu mas holemtaet tufala fasin ya,
olsem we yu raetemdaon long tingting blong yu, no yu
hangem long nek blong yu, blong tufala i no lus.

4 Sipos yu stap mekem olsem, bambae God i glad long
yu, mo ol man tu bambae oli glad long yu.

5 I nogud yu ting se save ya blong yu naoia, hem i naf
blong givhan long yu. Yu mas trastem Hae God long
olgeta tingting blong yu.

6 Long olgeta samting we yu stap mekem, yu mas
tingbaot hem oltaem, mo sipos yu stap mekem olsem,
hem bambae i soemaot stret rod long yu, blong yu yu
folem.

7 I nogud yu ting se yu yu wan waes man. Yu mas
tinghevi long Hae God, yu mas ona gud long hem, mo
yu mas tanem baksaed long ol fasin nogud.

8 Sipos yu mekem olsem, fasin ya bambae i olsem
gudfala meresin we i save mekem ol soa blong yu i
finis, mo i save mekem ol sobodi blong yu i no moa soa.

9 Yu mas tekem ol fas kakae blong garen blong yu,
wetem ol nambawan samting long ol narafala kakae
we yu kasem long hem, yu givim i go long Hae God,
blong yu ona long hem.

10 Sipos yu mekem olsem, haos blong putumgud kakae
blong yu long hem, oltaem bambae i fulap long kakae,
mo bambae yu kasem fulap waen, we ol botel blong
yu oli no naf blong holem.

11 Pikinini blong mi. Sipos Hae God i mekem wan
samting blong stretem yu, be yu mas glad blong
karem, mo yu mas save we hem i mekem samting ya
blong wekemap yu.

12 Ol man we hem i lavem olgeta, oltaem hem i stap
stretem olgeta, olsem we papa i stap stretem pikinini
blong hem, we i glad tumas long hem.

13 Man we i stap kasem save, mo we i stap kam waes,
hem bambae i save harem gud,

14 from we fasin ya i gud moa, i winim we hem i kasem
silva, no gol.

15 Waestok i gud moa, i winim ol gudfala ston ya we
praes blong olgeta i antap tumas, we ol man oli stap
yusum blong flasem ring mo jen long hem, mo i no gat
wan samting nating we yu save wantem samtaem, we
i gud moa winim hem.

16 Hem i save givim longfala laef long yu, mo i save
givim plante gudgudfala samting tu long yu, mo i save
mekem ol man oli ona long yu.

17 Hem i save mekem laef blong yu i ron gud, nao
bambae yu stap gud oltaem long laef blong yu.

18 Ol man we oli holem waestok oli glad oltaem nomo,
mo hem bambae i mekem olgeta oli gat laef.

19 Hae God i mekem wol ya long waes blong hem, mo
long save blong hem, hem i putum skae long prapa
ples blong hem.

20 Long waes ya blong hem, hem i mekem we ol reva
i ron, mo i mekem we ol klaod i givim ren i kam long
wol ya.

21 Pikinini blong mi. I gud yu holemstrong waes ya
blong yu, mo fasin ya blong yu we yu save luksave
mining blong ol samting we i had. Yu mas lukaot gud
blong yu no lusum tufala samting ya.

22 Bambae tufala fasin ya i givim laef long yu, mo laef
ya blong yu bambae i gudwan, we bambae yu glad long
hem oltaem.

23 Nao bambae yu save wokbaot long rod blong yu, we
oltaem bambae yu stap gud nomo, yu no save foldaon.

24 Mo long naet, taem yu go long bed blong yu, bambae
yu save slip gud, we yu no save fraet.

25 Bambae trabol i save kam kwiktaem nomo long ol
man nogud, olsem we strong win i save girap wantaem
nomo i kam, be yu bambae yu no save trabol long
samting ya.

26 Hae God bambae i holem yu, blong yu save stap gud
oltaem, mo bambae hem i no save letem yu yu foldaon
long wan trap.

27 Sipos yu gat janis blong givhan long narafala man, i
gud yu gohed, yu mekem i gud long hem, stret olsem
we hem i wantem.

28 Sipos wan long olgeta we oli stap raonabaot long
yu, i wantem blong yu givhan long hem, mo yu save
mekem long taem ya nomo, i nogud yu talem long hem
se, “Yu wet, tumora bambae mi kam givhan long yu.”

29 Mo i nogud yu mekem plan blong wokem wan
samting we i save spolem wan man olsem, from we
olgeta ya oli stap trastem yu.

30 Sipos man i no mekem wan samting nogud long yu,
i nogud yu rao long hem.

31 Mo i nogud yu jalus long ol man blong faet we oli
stap win, mo i nogud tu blong yu folem fasin blong
olgeta,

32 from we Hae God i no laekem nating ol man we oli stap mekem ol samting nogud, i agens long olgeta. Hem i trastem ol stret man, mo i stap talemaot tingting blong hem long olgeta.

33 Oltaem, hem i stap singaot* trabol i kam long haos blong man nogud, be hem i stap blesem haos blong man we laef blong hem i stret.

34 Hem i no save tinghae long ol man we tingting blong olgeta i go antap, be hem i kaen gud long olgeta we tingting blong olgeta i stap daon.

35 Ol waes man bambae oli gat gud nem, mo bambae ol man oli stap ona gud long olgeta, be ol man we oli no gat hed, bambae oli stap mekem ol fasin nomo, we bambae oli sem from.

Provab 4:1

1 Pikinini blong mi. Mi mi papa blong yu, mo yu mas lesin gud long ol samting ya we mi stap tijim yu long hem. Sipos yu lesin gud olsem, bambae yu save gat waes.

2 Ol samting ya we mi stap talem long yu, oli gud tumas, mo yu no mas tanem baksaed long olgeta.

3 Mi mi wan pikinini nomo we papa mo mama blong mi, tufala i bonem, mo taem mi mi smol,

4 papa blong mi i stap tijim mi. Hem i talem long mi se, “Pikinini blong mi, ol samting ya we mi stap talem long yu, bambae yu no mas fogetem olgeta samtaem, oltaem yu mas tingbaot olgeta. Sipos yu stap mekem ol samting ya oltaem, bambae yu gat laef.

5 Yu mas kasem waestok, mo yu mas kam we yu save luksave mining blong ol had samting. Yu no mas blokem sora blong yu, mo yu no mas fogetem ol samting ya, we mi stap talem long yu.

6 Sipos yu holem waestok ya, bambae hem i stap lukaot gud long yu. Sipos yu laekem hem, hem bambae i holem yu yu stap gud oltaem.

7 Waestok ya, hem i nambawan samting blong yu yu kasem. I nomata wanem samting we yu yu gat, be yu mas kasem fasin ya blong luksave mining blong ol samting we i had.

8 Sipos yu laekem waestok ya, bambae hem i save leftemap yu, we nem blong yu bambae i go antap. Sipos yu holemtaet hem, bambae hem i save mekem ol man oli ona gud long yu.

9 Nao hem bambae i kam olsem ol gudfala flaoa ya, we ol man oli hangem long nek blong yu blong ona long yu. Bambae hem i kam olsem wan gudfala samting blong flasem hed blong yu, olsem hat blong king we i saen we i saen.”

10 Pikinini blong mi. Sipos yu lesin gud long mi, mo yu tinghevi long ol samting ya we mi stap talem long yu, bambae yu gat longfala laef.

11 Mi mi stap tijim yu long ol waestok, mo long ol stret fasin we yu mas folem long laef blong yu,

12 mo sipos yu stap folem waestok ya, bambae i no gat wan samting i save blokem yu, mo sipos yu resis, bambae yu no save foldaon.

13 Oltaem, yu mas tingbaot ol samting ya we yu lanem finis. Olgeta oli stamba blong laef blong yu, mo yu mas lukaot gud long olgeta.

14 Bambae yu no mas folem rod ya, we ol man nogud oli stap folem, mo yu no mas tekem fasin blong olgeta.

15 !Yu no folem rod ya! !Yu gowe long ol samting nogud ya! !Yu livim! !Yu go long rod blong yu nomo!

16 Ol man olsem, sipos oli no mekem i nogud long narafala man, bambae long naet, oli no save slip. Sipos oli no spolem narafala man fastaem, bambae oli go ledaon long bed, be oli no save slip nating.

17 Fasin nogud mo fasin blong faet, hemia i olsem kakae mo wota blong olgeta.

18 Rod we ol stret man oli stap wokbaot long hem, fasin blong hem i olsem eli moning, we i stat brok delaet, we oltaem, ol samting oli stap kam klia moa, gogo i delaet gud, mo san i kam antap.

19 Be rod blong ol man nogud i tudak olgeta, i olsem naet. Oltaem olgeta oli stap foldaon, be oli no save luksave ol samting we oli stambol long hem.

20 Pikinini blong mi. Yu mas lesin gud long ol samting ya we mi stap talem long yu. Yu mas harem ol tok ya blong mi.

21 Yu no mas fogetem olgeta, oltaem yu mas holemtaet long tingting blong yu.

22 Man we i savegud ol tok ya, hem i gat gudfala laef, mo i no save sik.

23 Yu mas lukaot gud blong mekem se ol samting we yu stap tingbaot oltaem, oli stret, from we laef blong yu i stap soemaot tingting blong yu.

24 Bambae yu no mas giaman, mo yu no mas yusum ol toktok we i save lidim man i gorong. Oltaem, yu mas talem ol trutok nomo.

25 Sipos yu stap mekem olsem, bambae i no gat samting blong mekem yu yu sem, we fes blong yu i godaon from. Yu mas lukluk i go stret nomo long rod

ya we yu stap long hem, mo tingting blong yu i mas strong.

26 Yu mas mekem gudfala plan fastaem, long ol samting we yu wantem mekem, nao olgeta samting ya bambae oli save kamaot stret nomo.

27 Bambae yu no go klosap long ol samting nogud. Oltaem, yu mas wokbaot long stret rod nomo, we bambae yu no mekem wan samting nating we i save tekemaot yu long rod ya.

Provab 5:1

1 Pikinini blong mi. Yu mas harem waestok blong mi, yu mas lesin gud long hem, mo yu mas lukluk gud long fasin blong mi blong luksave mining blong ol samting we i had.

2 Nao bambae yu savegud ol stret fasin we yu mas folem, mo ol tok blong yu bambae i soemaot we yu yu gat save.

3 Maet maot blong woman blong narafala man i swit olsem suga, mo fasin blong hem blong kis i gud we i gud,

4 be biaen, taem yu finis long hem, bambae yu harem i nogud tumas long bodi blong yu, mo long tingting blong yu tu.

5 Bambae hem i tekem yu yu go long Hom* blong ol Dedman, from we rod ya we hem i stap folem, i rod blong ded nomo.

6 Hem i no moa stap long rod blong laef, hem i gowe long hem finis, be i no luksave.

7 Pikinini blong mi. Yu mas lesin long mi, mo yu no mas fogetem ol samting ya we mi stap talem long yu.

8 !Yu mas stap longwe long woman olsem! !Mo yu no mas go klosap long haos blong hem tu!

9 Sipos yu stap go long haos blong woman olsem, bambae ol man we oli stap ona long yu fastaem, bambae oli no moa save ona long yu bakegen, bambae oli stap ona long ol narafala man. Mo nating we yu yu yangfala yet, be ol man we oli no gat sore, bambae oli save kam kilim yu yu ded.

10 Mo ol samting we yu yu gat, we yu bin hadwok from, ol strenja bambae oli save kam karemaot olgeta, oli holem i blong olgeta.

11 Sipos no, sik bambae i kasem yu, i mekem yu yu harem nogud, we klosap yu ded, nao yu stap ledaon long bed, yu stap krae. Bambae bodi blong yu i kam bunbun we i bunbun olgeta,

12 mo bambae yu stap talem se, “?Man, from wanem mi mi no save lan fastaem? ?From wanem mi no letem man i stretem mi?

13 Bifo, mi no save lesin long ol tija blong mi. Mi no wantem harem olgeta nating.

14 Be naoia, mi no moa save haed, ol man oli luksave mi finis, mo samting ya i mekem mi mi sem bigwan long fes blong olgeta.”

15 Sipos yu mared, oltaem yu mas putum tingting blong yu i stap strong long woman blong yu nomo, yu mas stap gud wetem hem, mo yu mas lavem hem nomo.

16 Sipos yu gat ol pikinini blong yu we ol narafala woman oli karem, be bambae olgeta oli no save leftemap nem blong yu.

17 Mo i no stret blong ol pikinini blong yu oli gruap long haos blong ol narafala man, i stret nomo blong oli gruap long haos blong yu. Mo i no stret blong oli stap givhan long ol man olsem, i stret nomo blong oli givhan long yu.

18 Oltaem yu mas lavem woman blong yu, mo oltaem yu mas harem gud blong stap wetem hem.

19 Hem i naes we i naes, mo fasin blong hem we i muf blong wokem ol samting, i gud we i gud. Yu mas letem hem nomo i mekem yu yu harem gud oltaem. Hem i lavem yu tumas, mo yu mas letem fasin ya blong hem i fasem yu long hem.

20 Pikinini blong mi. I krangke blong yu go lukaot narafala woman. Mo i krangke blong yu ting se woman blong narafala man i gud moa, i winim woman blong yu.

21 Hae God i stap luk evri samting we yu stap mekem, mo hem i stap wajemgud yu, long evri ples we yu stap pas long hem.

22 Taem man nogud i mekem sin, i olsem we hem i wokem wan trap blong kasem hem, mo biaen, trap ya blong hem bambae i holemgud hem, we i no save aot.

23 Bambae hem i ded, from we i no save blokem ol samting we hem nomo i wantem. Krangke fasin blong hem bambae i tekem hem i go stap long beregraon.

Provab 6:1

1 Pikinini blong mi. Sipos wan man i gat kaon, nao yu yu promes blong pemaot ol kaon blong hem,

2 promes ya blong yu i olsem wan trap we yu yu wokem, we bambae i holem yu bakegen.

3 Sipos yu mekem olsem, yu yu stap long paoa blong man ya finis, be i gat rod i stap we i save tekemaot yu

long bisnes ya. Kwiktaem nomo, yu mas hareap blong go luk man ya, mo yu mas krae long hem blong i letem yu yu go fri.

4 Yu no mas slip, mo yu no mas tektaem. Yu mas go naoia nomo.

5 Yu mas kamaot long trap ya, yu ronwe, olsem we faol i kamaot long trap, no anamol ya dia* i resis blong ronwe long man we i wantem kilim hem i ded.

6 I moa gud ol lesman oli lanem fasin blong anis.

7 Ol anis oli no gat lida, no jif, no gavman blong olgeta,

8 be long gudtaem, oli stap putumgud kakae blong olgeta i stap rere, blong oli save kakae long hadtaem.

9 ?Be lesman bambae i save slip long bed blong hem gogo kasem wetaem? ?Wetaem bambae hem i girap i go wok?

10 Oltaem hem i stap talem se, “Bambae mi jes ledaon smol nomo blong stretem baksaed blong mi, mi spel lelebet.”

11 Be long fasin ya, bambae hem i save kam puaman, nao hadlaef ya blong puaman bambae i holem hem, olsem we man blong stil i kam, i holemtaet hem, we bambae i no save aot bakegen.

12 Ol man nogud we oli no save mekem wan gud samting, fasin blong olgeta, oltaem nomo oli stap giaman olbaot long ol man.

13 Olgeta oli stap satem ae blong olgeta long ol man, mo oli stap toktok long han blong olgeta blong trikim olgeta,

14 mo long krangke fasin blong olgeta, oltaem oli stap mekem plan blong wokem ol rabis samting nomo. Oltaem nomo, ol man olsem oli stap mekem trabol long evri ples.

15 Mo from samting ya, bigfala trabol bambae i kam long olgeta, we bambae oli sek nomo long hem, mo bambae oli karekil, nao oli ded from.

16-19 I gat sam fasin blong man i stap, we oli nogud olgeta long fes blong Hae God, we hem i no laekem olgeta nating. Ol fasin ya, i gat fasin blong praod, mo fasin blong giaman, mo fasin blong kilim man we i no mekem samting nogud, mo fasin blong mekem ol rabis plan, mo fasin blong go kwik blong mekem ol samting nogud, mo fasin blong giaman insaed long kot, mo fasin blong mekem ol fren oli harem nogud, oli seraot. Ol fasin ya, Hae God i no wantem luk olgeta nating.

20 Pikinini blong mi. Yu mas mekem olsem we mi wetem mama blong yu i stap talem long yu, mo yu no mas fogetem ol samting ya we mitufala i stap tijim yu long hem.

21 Oltaem yu mas holem tok ya blong mitufala long tingting blong yu,

22 nao taem yu stap wokbaot, bambae hem i stap lidim yu. Long dei, bambae hem i stap soemaot rod long yu, mo long naet, bambae i stap lukaot gud long yu.

8 Sipos yu stap folem fasin we i no stret, we yu stap spolem ol narafala man, i olsem we yu stap planem sid we frut blong hem, bigfala trabol, nao bambae yu no save win.

9 Man we oltaem i rere blong givim kakae long ol puaman long gladhat blong hem, Hae God bambae i blesem hem from.

10 Sipos yu ronemaot ol stronghed we oli stap tok flas, ol fasin ya we ol man oli stap rao, mo oli stap faet, mo oli stap tok nogud long olgeta bakegen bambae oli finis.

11 Sipos yu yu wan man we oltaem tingting blong yu i klin, mo yu stap toktok gud long ol man, king bambae i kam fren blong yu.

12 Hae God i stap daonem ol tok blong ol man blong giaman, be hem i stap lukaot gud long ol trutok.

13 Man blong les, oltaem hem i stap nomo insaed long haos blong hem, from we hem i stap ting se sipos hem i go afsaed, bambae wan laeon i kakae hem.

14 Woman we i stap pulum man we i mared finis i kam stap wetem hem, hem i olsem wan trap we i stap kasem ol man we Hae God i kros long olgeta.

15 Fasin blong pikinini, oltaem i save mekem ol krangke samting we i no save tingbaot, be sipos papa blong hem i stap wipim as blong hem blong lanem hem, bambae i save lanem ol gudfala fasin.

16 Man we i stap givim ol presen i go long ol rijman, no we i stap ravem ol puaman blong kam rijman, man olsem bambae i kam puaman tru.

17 Pikinini blong mi. I gud yu lesin gud, nao bambae mi tijim yu long ol tok we ol waes man oli stap talem. Yu mas stadi gud long ol tok ya blong olgeta,

18 nao sipos yu stap tingbaot olgeta oltaem, mo yu save talemaot olgeta baehat, bambae yu save harem gud.

19 Mi mi wantem talemaot ol waestok ya long yu naoia, from we mi wantem se oltaem yu mas trastem Hae God.

20 Mi mi raetemdaon toti waestok we oli save mekem yu yu gat save, mo oli save givhan long yu long laef blong yu.

21 Ol tok ya oli save tijim yu blong yu savegud ol tok we i tru, nao sipos ol man oli sanem yu blong yu go faenemaot trutok blong wan samting, bambae yu save tekem stret ansa i kambak long olgeta.

22 I nogud yu stap ravem ol puaman from we yu luk se i isi nomo blong spolem olgeta, mo i nogud tu blong yu stap ravem ol man we oli pas long kot we oli no gat man blong givhan long olgeta.

23 Ol man olsem, Hae God bambae i stanap long saed blong olgeta, mo hem bambae i spolem man we i stap spolem olgeta.

24 I nogud yu stap fren long ol man blong faerap, we oli save kros kwik.

25 Yu mas lukaot gud. Sipos no, bambae yu tekem fasin blong olgeta, nao bambae i strong blong yu jenisim fasin ya blong yu bakegen.

26 I nogud yu promes blong pemaot kaon blong narafala man.

27 Sipos yu no save pem, bambae oli kam tekemaot olting blong yu, wetem bed blong yu tu.

28 I nogud yu muvum olfala mak blong graon we ol olfala bubu blong yumi bifo oli putum.

29 Man we wok blong hem i gud, sipos yu luklukgud long hem, bambae yu luksave we hem i wan man we i gud moa, i winim plante narafala man, mo we hem i naf blong kam man blong wok blong king.

Provab 23:1

1 Sipos yu go kakae wetem wan haeman, be yu mas lukluk gud se hem i wanem kaen man.

Provab 23:1

2 Sipos yu yu man blong kakae tumas, i moa gud yu taetem yu blong yu no kakae bigwan.

3 I nogud yu stap wantem tumas ol gudfala kakae ya we hem i givim long yu. Maet hem i wantem trikim yu nomo.

4 I nogud yu stap hadwok tumas blong kam rijman. Man we i waes i no save mekem olsem.

5 Mane blong yu bambae i flae kwiktaem nomo i go, olsem pijin we i flae i go.

6 I nogud yu go kakae long haos blong man we i griri, mo i nogud tu blong yu wantem tumas ol gudfala kakae we man olsem i save givim long yu.

7 Maet hem i save talem se, “Yu gohed, yu kakae olsem we yu wantem,” be hem i no minim.

8 Ol kakae ya blong hem bambae i mekem yu yu traot nomo, mo bambae yu westem gudfala tok ya blong yu, blong talem tangkiu long hem.

9 I nogud yu traem givim gudfala tok long man we i no gat hed, from we hem i no save luksave, se tok ya blong yu i waes.

10 I nogud yu seftem olfala mak blong graon we i stap finis, mo i nogud yu seftem mak blong graon blong yu i go insaed long graon blong ol pikinini we papa blong olgeta i ded.

11 Hae God i gat paoa, mo hem nao i stap givhan long ol pikinini olsem. Hem bambae i stanap long kot long saed blong olgeta blong tok agens long yu.

12 Yu mas lesin gud long tija blong yu oltaem, mo yu mas traehad blong lanem evri samting.

13 Yu no fraet blong mekem samting long pikinini blong yu blong stretem hem. Sipos yu wipim as blong hem, bambae hem i no save ded from.

14 Fasin ya bambae i save sevem laef blong hem.

15 Pikinini blong mi, sipos yu kam waes, bambae mi mi glad we mi glad.

16 Sipos mi harem we yu stap talem ol waestok, bambae mi mi glad tumas.

17 I nogud yu stap harem nogud from we yu no gat ol samting ya we ol man nogud oli gat. Yu mas mekem we oltaem long laef blong yu, yu tinghevi long Hae God nomo mo yu mas ona gud long hem.

18 Sipos yu stap mekem olsem, bambae laef blong yu i kam nambawan.

19 !Pikinini blong mi, yu lesin gud! Yu yu mas waes, mo yu mas tingting gud long rod blong laef blong yu.

20 I nogud yu go joen wetem ol man we oli stap dring tumas mo oli stap kakae we i bitim mak.

21 Man we i stap drong oltaem mo i stap kakae tumas bambae i kam puaman. Sipos yu no wok, yu stap kakae nomo, mo yu stap slip, bambae i no longtaem yu stap werem ol rabis klos nomo.

22 Pikinini blong mi. Mi mi papa blong yu. Yu mas lesin long mi, from we mi mi bonem yu. Mo taem mama blong yu i kam olfala, yu mas soemaot long hem, we yu yu stap tingbaot ol samting we hem i mekem long yu.

23 Trutok, mo waestok, mo save, mo fasin blong luksave ol samting, ol fo samting ya oli gud tumas. Yu mas pemaot olgeta i blong yu, mo yu no mas salemaot olgeta bakegen.

24 Pikinini we fasin blong hem i stret, papa blong hem i save glad tumas from. Sipos pikinini blong yu i waes, bambae yu save glad from.

25 Oltaem yu mas mekem we mi wetem mama blong yu, mitufala i save glad long ol samting we yu yu stap mekem. Mama blong yu i bonem yu, mo oltaem yu mas mekem hem i glad.

26 Pikinini blong mi. Yu mas lesin gud long mi. Oltaem yu mas glad blong folem fasin blong mi.

27 Ol woman blong rod mo ol woman we oli stap pleplei olbaot, oli olsem trap blong kilim man i ded.

28 Oli stap wet long man, olsem we ol man blong stil oli stap wet blong kilim man blong stilim ol samting blong hem. Ol woman olsem oli mekem plante man oli lego ol woman blong olgeta.

29-30 Man blong dring, we oltaem i stap traem ol niufala dring, sipos yu lukluk gud long hem, bambae yu luksave we oltaem hem i stap harem nogud, mo i stap talem se, “!A! !Mi mi krangke ya!” Oltaem hem i stap statem trabol, mo i stap toktok tumas from ol trabol blong hem. Oltaem ae blong hem i red we i red, mo i karekil tu olbaot long bodi blong hem, we sipos i no dring olsem, bambae i no gat.

31 Nating we waen i red gud, mo i stap saen gud insaed long glas, mo taem yu dring, i stap godaon gud nomo long bel blong yu, be yu mas blokem fasin ya, blong i no pulum tingting blong yu.

32 Sipos no, biaen, bambae yu harem olsem we posen snek i kakae yu, we bambae yu ded from.

33 Bambae yu stap luk ol samting we oli narafala olgeta, we oli nogud we i nogud, mo bambae yu no save tingting gud, mo yu no save toktok gud tu.

[34] Bambae yu harem olsem we yu stap long bigsi, nao yu stap traot, no yu stap hang antap long mas blong sip, we bigsi i stap sakem i go olbaot.

[35] Nao bambae yu talem se, "!Ating ol man oli kam faetem mi! Ating oli kilim mi, be mi no save tingbaot. ? From wanem mi no save wekap gud? Naoia mi mas dring wan glas bakegen."

Provab 24:1

[1] I nogud yu stap harem nogud from we yu no gat ol samting ya we ol man nogud oli gat, mo i nogud tu blong yu traem kam fren wetem olgeta.

[2] Ol man olsem oli wantem mekem trabol nomo, mo oltaem, taem oli tok, be oli stap mekem plan blong mekem narafala man i harem nogud nomo.

[3] Prapa fandesen blong man i wokem haos blong hem long hem, waes mo save.

[4] Mo haos blong man we save blong hem i bigwan, ol rum blong hem oli fulap long ol gudgudfala samting, we praes blong olgeta i antap moa.

[5] I moa gud blong yu kam waes, i winim we yu kam strong. Mo i moa gud blong yu gat save, i winim we yu gat paoa.

[6] Sipos yu wantem go mekem faet, be yu mas mekem gudfala plan fastaem. Mo sipos yu gat plante man blong givim gudfala advaes long yu, janis blong yu blong yu win, bambae i stap kam bigwan moa.

[7] Ol waestok oli strong tumas, man we i no gat hed i no save kasem mining blong olgeta. Sipos ol haeman oli sidaon blong tokbaot wan bigfala samting, bambae man olsem i no save tok, oltaem hem i stap sidaon kwaet nomo.

[8] Man we oltaem i stap mekem plan blong mekem ol samting nogud, bambae nem blong hem i kam rabis. Bambae ol man oli stap singaot hem se, "Man blong mekem trabol."

[9] Ol plan blong man we i no gat hed, oli blong mekem samting nogud nomo. Mo man we oltaem i stap laf nogud long ol narafala man, ol man oli no laekem hem nating, oli stap agens long hem.

[10] Sipos tingting blong yu i no strong long taem blong trabol, hemia i soemaot we yu yu no strong nating.

[11] Sipos ol man oli wantem kilim wan man i ded, be i no stret nating blong hem i ded, yu yu no mas fraet blong go sevem hem.

[12] Maet yu save talem se, "!Hemia i no bisnes blong mi ya!", be Hae God i save, mo hem i stap skelem tingting blong yu, blong save from wanem yu stap talem olsem. Hem i stap lukluk yu, mo i savegud yu. Mo bambae hem i givim pei long yu, stret long mak blong fasin we yu yu mekem.

[13] Pikinini blong mi. Eg* blong sugabag,* hem i wan gudfala samting blong kakae. Mo yu save, taem we yu jes tekemaot long bed blong hem, hem i gud tumas, i swit we i swit.

[14] Mo long sem fasin, yu mas save we waes tu, hem i gud tumas, mo i save holem tingting blong yu. Sipos yu save kasem waes, bambae laef blong yu i save kam gud moa.

[15] I nogud yu folem fasin blong ol man nogud, we oli stap mekem plan blong go stilim olting blong ol stret man, mo blong spolem ol haos blong olgeta.

[16] Nating we trabol i stap kasem stret man hamas taem, be oltaem hem i save girap bakegen. Be sipos trabol i kasem ol man nogud ya, bambae i stap spolemgud olgeta.

[17] Sipos enemi blong yu i kasem trabol no i stambol, i nogud yu stap glad from.

[18] Sipos yu stap glad long ol samting ya, Hae God bambae i save, nao bambae hem i no glad nating long fasin ya blong yu, mo maet hem i no save panisim enemi ya blong yu.

[19] I nogud yu stap harem nogud long ol samting we ol man nogud oli stap mekem. Nating we olgeta oli stap win, be i nogud yu stap jalus long olgeta from.

[20] I no gat wan gudfala samting nating i stap, we ol man ya oli save putum tingting blong olgeta i stap long hem, se bambae oli kasem.

[21] Pikinini blong mi. Oltaem yu mas tinghevi long Hae God, mo yu mas ona gud long hem, mo yu mas mekem olsem tu long king. I nogud yu go joen long ol man we oli stap girap agens long Hae God, no agens long king.

[22] Ol man olsem bambae oli save kasem trabol kwiktaem nomo. Yumi no naf blong makem trabol we Hae God i save mekem i kamtru long enemi blong hem, no we king tu i save mekem i kamtru.

[23] I gat ol narafala waestok tu i stap we ol waes man oli stap talem, we oli olsem. Fasin ya we man blong mekem kot i stap lesin long wan saed nomo, hem i nogud olgeta.

[24] Sipos hem i stap jajem ol man we oli mekem i no stret se oli stret nomo, olgeta man bambae oli agens long hem, oli stap singaot* trabol i kam long hem.

[25] Be sipos hem i stap panisim ol man we oli stap mekem i nogud, bambae laef blong hem i gohed gud, mo bambae hem i gat gud nem long fes blong ol man.

26 Man we oltaem i stap givim stret ansa long yu, hem
i stap soemaot we hem i wan prapa fren blong yu.

27 Fastaem yu mas wok strong blong planem garen
blong yu, mo yu mas lukaot gud long hem, nao biaen,
bambae yu save wokem haos blong yu.

28 Sipos yu no savegud poen we wan man i gat agens
long narafala man, bambae yu no mas go long kot
blong witnes agens long narafala man ya. I nogud yu
go talemaot ol giaman toktok we bambae i mekem kot
i go krangke.

29 Mo i nogud yu talem se, “Mi bambae mi mekem long
hem stret olsem we hem i mekem long mi. Fasin ya
blong hem, bambae mi givimbak long hem bakegen.”

30 Wan dei, mi mi stap wokbaot long bus, nao mi luk
wan garen, mo wan plantesen blong rop ya grep,* we
tufala i blong wan lesman we i no gat hed.

31 Tufala garen ya i fulap long ol rop we i gat nil, mo
grasnil i kavremapgud, mo stonwol we i goraon long
tufala i brobrok olbaot.

32 Nao taem mi luk ol samting ya, mi stap tingting
gud long hem, mo mi lanem wan gudfala samting long
hem.

33 Sipos yu stap ledaon, yu stap spel, yu stap slip,

34 wantaem nomo bambae yu kam puaman, olsem we
man blong stil i kam stilim olgeta samting blong yu.
Sipos yu mekem olsem, wantaem nomo bambae yu
trabol gud blong kasem kakae, olsem we strong man
blong faet i kam flatemgud yu.

Provab 25:1

1 I gat sam narafala waestok blong King Solomon i stap
we biaen, ol man blong King Hesekia blong Juda* oli
raetemdaon. Ol waestok ya i olsem.

2 Yumi stap ona long God, from we hem i stap mekem
ol wok blong hem long fasin we yumi no save luk,
be yumi stap ona long ol king, from we oli stap
faenemaot ol samting ya, mo oli stap talemaot i klia
long ol man.

3 Yumi no naf blong save tingting blong ol king.
Tingting blong olgeta i moa, i winim ol tingting blong
yumi, i hae olsem skae we i antap we i antap, mo i dip,
olsem dipsi we i dip we i dip.

4 Sipos ol man oli tekemaot ol doti long silva blong
mekem i klin, bambae man blong wokem ol flas
samting i save wokem ol gudgudfala samting long
hem.

5 Mo long sem fasin, sipos yumi ronemaot ol man
nogud we oli stap givim ol krangke tok long king oli
gowe long hem, bambae kantri i save gohed long stret
fasin, mo ol man oli save talem se oltaem rul blong
king ya, hem i stret gud.

6 Sipos king i singaot yu blong yu kam long haos blong
hem, i nogud yu traem mekem olsem we yu yu wan
haeman, nao yu go sidaon wetem ol narafala haeman
blong hem.

7 Sipos yu mekem olsem, maet hem i singaot wan
narafala man we i hae moa long yu, blong hem i kam
sidaon long ples ya. I moa gud hem nomo i talem long
yu, blong yu kam sidaon long wan ples we i hae moa.

8 Yu no hareap blong go long kot blong talemaot
wan samting we yu yu luk. ?Sipos biaen, wan witnes
i soemaot we yu yu rong, wanem nao bambae yu
mekem?

9 Sipos yu wetem fren blong yu we i stap klosap
long yu, yutufala i rao from wan samting, i moa gud
yutufala nomo i stretem bisnes ya, mo biaen, bisnes
ya we i no blong tokbaot, yu no mas tokbaot bakegen.

10 Sipos yu stap talemaot ol tok olsem, bambae ol
man oli faenemaot we yu yu no man blong holemtaet
tok haed, nao bambae yu no save mekem olgeta oli
fogetem samting ya bakegen, mo oltaem, bambae yu
sem from.

11 Sipos yu talemaot wan tingting blong yu, we yu
mekem i klia gud long ol man, hemia i olsem we yu
wokem wan pija long gol, mo yu putum silva i goraon
long hem blong flasem.

12 Sipos man we i gat save i tok strong long narafala
man blong stretem hem, mo man ya i save lesin long
hem, tok ya i gud moa, i winim ring mo jen we oli
wokem long gol we i beswan.

13 Man blong karem tok we ol man oli save trastem
hem, hem i save mekem man we i sanem hem i glad

yu yu traot.

Provab 26:1

17 Mo long sem fasin, i nogud yu stap go oltaem blong visitim fren blong yu we i stap klosap long yu. I isi blong hem i kam taed tumas long yu, nao bambae i no wantem yu, i agens long yu.

18 Giaman toktok we man i mekem agens long narafala man, hem i olsem naef blong faet, no nalnal, no ara we i sap we i sap. Hem i save kilim man i ded.

19 Sipos trabol i kasem yu, nao yu stap trastem ol man we oli no blong trastem, hemia i olsem we yu stap traem kakae long tut blong yu we i stap muvmuv, no we yu stap wokbaot long leg blong yu we i nogud.

20 Sipos yu traem singsing long man we tingting blong hem i foldaon, hemia i olsem we yu go tekemaot klos blong hem long koltaem, no we yu go ravem sol long bodi blong hem long ples we i karekil.

21 Sipos wan enemi blong yu i hanggri, yu mas go givim kakae long hem, no sipos hem i tosta, yu mas go givim wota long hem.

22 Long fasin ya, bambae yu mekem hem i sem we i sem, mo bambae Hae God i givim pei long yu from.

23 Fasin ya we oltaem man i stap talem ol tok olbaot blong spolem narafala man, hem i save mekem man i kros evritaem nomo, olsem we not win, oltaem i stap tekem ren i kam.

24 I moa gud blong man i go slip hem wan afsaed, i winim we hem i stap long haos wetem woman blong hem we oltaem i stap toktok tumas.

25 Sipos yu stap wet longtaem blong harem nius long wan kantri longwe, nao wan gud nius i kamtru, hemia i olsem we yu tosta tumas, trot blong yu i drae olgeta, nao yu dring kolwota.

26 Gudfala man we i letem man nogud i gohed long fasin nogud, hem i olsem springwota we i kam doti, no wel we oli putum posen long hem.

27 I nogud yu stap dring tumas suga. Samting ya bambae i spolem yu. Mo long sem fasin, i nogud yu stap traem mekem ol man oli stap leftemap yu oltaem.

28 Sipos yu no save holem kros blong yu, bambae i no gat man i save givhan long yu. Bambae yu kam olsem taon we i no gat bigfala stonwol i goraon long hem, we i isi nomo blong ol enemi blong hem oli kam mekem faet long hem.

Provab 26:1

1 Sipos yu stap presem man we i no gat hed, hemia i olsem we i gat hariken long koltaem, no we man i go bonem garen blong hem long big ren.

2 Sipos wan man i singaot* trabol i kam long yu, be yu yu no mekem wan samting we i stret blong trabol i kasem yu from, trabol ya bambae i no save kasem yu. Tok blong man ya bambae i olsem ol smosmol pijin ya we oli stap flaflae olbaot, we oli no save sidaon samtaem.

3 Hos, oltaem yu mas wipim hem blong i obei long yu, mo dongki, yu mas putum aean long maot blong hem, mo long sem fasin, man we i no gat hed, yu mas wipim baksaed blong hem long stik.

4 Sipos yu stap givim ansa long ol sili kwestin, hemia i soemaot we yu tu yu wan sili man, yu sem mak nomo long man ya we i stap askem ol kwestin ya long yu.

5 Be sipos yu givim sili ansa long sili kwestin, bambae yu mekem man we i askem kwestin ya i save we hem i no waes olsem we hem i stap tingbaot.

6 I nogud yu sanem man we i no gat hed i karem tok blong yu i go long narafala man. Sipos yu mekem olsem, yu stap lukaot trabol nomo. I moa gud yu katemaot tufala leg blong yu.

7 Man we leg blong hem i nogud, hem i no save wokbaot, mo long sem fasin, man we i no gat hed i no save talem ol waestok.

8 Fasin ya we man i stap presem man we i no gat hed, hem i olsem we man i fasemtaet ston long sling, nao ston ya i no save flae i go.

9 Man we i no gat hed, we i stap traem talemaot wan waestok, hem i olsem man we i drong, we nil blong grasnil i stikim han blong hem, nao i stap traem blong pulumaot.

10 Man we i stap givim wok long man we i no gat hed, mo long ol man olbaot nomo, hem i stap spolem hem nomo, wetem ol man raonabaot long hem.

11 Man we i no gat hed we i mekem wan krangke samting finis, nao biaen i mekem sem samting bakegen, hem i olsem dog we i traot, we biaen i gobak, i kakae traot blong hem bakegen.

12 I moa isi blong yu lanem man we i no gat hed, i winim we yu lanem man we i ting se i waes, be i no waes nating.

13 Man blong les, oltaem hem i stap nomo insaed long haos blong hem, from we hem i talem se, “Mi no wantem go long big rod, from we i gat bigfala laeon i stap klosap nomo.”

14 Man blong les i stap tantanem hem long bed blong hem, olsem we doa i stap swing long hinsis blong hem.

15 Sam man oli les tumas, oli no save putum kakae i go long maot blong olgeta.

Provab 27:1

16 Man blong les, hem i save ting se tok blong hem i waes moa, i winim tok blong plante man we oli save talemaot ol gudfala poen blong olgeta, blong soemaot from wanem oli stap holem ol tingting blong olgeta.

17 Sipos yu go joen long wan rao we yu yu no gat bisnes long hem, hemia i olsem we yu go wokbaot long big rod, nao yu kasolem wan dog long sora blong hem.

18-19 Man we i giaman long narafala man, nao i mekem hem i go rong, be biaen i talem se i stap mekem blong laf nomo, hem i olsem man we i no gat hed, we i stap pleplei long ol tul blong faet we i save kilim man i ded.

20 Sipos i no moa gat faeawud, bambae faea i ded, mo long sem fasin, sipos i no moa gat man i stap talem ol tok olbaot blong spolem narafala man, rao tu bambae i finis.

21 Faeawud i stap mekem faea i laet strong, mo long sem fasin, man blong mekem trabol i stap mekem rao i gohed moa.

22 Fasin ya we man i go talem ol tok olbaot we i spolem nem blong narafala man, hem i olsem wan samting we i swit we i swit, we yumi wantem tumas blong solemdaon.
